## Pupils e-safety agreement

*Keeping me safe at home and at school*

I will check with a grown up before using the internet.

I will tell a grown up if something we see makes us feel worried.

If I get stuck or lost on the internet we will ask for help.

I can write polite and friendly messages to people I know.

I will keep my personal information, my name, address, my school, my pictures "Top Secret" and not share it on an app or website.

I will not bring mobile phones or tablets to school.

We understand that your child is too young to give informed consent on his/her own; however, we feel it is good practice to involve them as much as possible in the decision making process, and believe a shared commitment is the most successful way to achieve this.

## Parent/Guardian's e-safety contract

### Parent/Guardian's Consent

I have read and understood the e-safety agreement and give permission for my son/daughter to access the Internet at school, and will encourage them to abide by these rules. Children will receive advice on e-safety at school, advice for parents is available at [www.thinkuknow.org.uk/parents](http://www.thinkuknow.org.uk/parents) or by contacting the school. I understand that the school will take reasonable precautions to ensure pupils cannot access inappropriate materials. I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's e-safety.

The storage and processing and evidence about pupils' attainment across the Foundation Stage has now changed. This information is now captured electronically and stored with an external provider (2Simple). Please inform the school if you wish to opt out of this arrangement.

I will follow the school's guidance on taking and sharing images and video at school events.
