Thursday 8th October 2020

Dear Parents and Carers,

Bubble Closure and Continuation of Education

Many thanks for your understanding and swift action in supporting us in being able to close the year four bubble yesterday. It is very much appreciated.

As a school, we are committed to your child's continued education whilst at home. The children have become increasingly familiar with Google Classroom and all had a quick recap before they left school yesterday. If you have any difficulty with accessing online work please contact Claire in the school office who can arrange a loan of a school device for use whilst your child is at home.

The timetable for the day is as follows:

9.00	All work completed by 4pm the previous day will be marked and available for viewing.
10.00 (Monday and Tuesday)	Children will receive a zoom invitation to join the whole school assemblies.
10.15 - 10.45	The whole class meet together in the Google Meet area. The register will be taken and the teacher will give feedback on the previous day's learning – recapping any areas needing it and explaining the work for the day. If your child is ill, it is important that you contact the school office to let them know. Any children not attending the Google Meet will receive a phone call from the school office. Parents to be present either in shot or within ear shot for this.
10.45 - 3.15	Completion of work for the day and submission to the class teacher.
Friday 2pm	Facebook Live Achievement Assembly, led by the Head Pupils.
What work will be set?	Daily maths and English. Every day we will be setting one piece of work from another curriculum area, just as we would in class. In addition, within school every child reads for at least 30 minutes a day. We ask that they continue to read for at least 30 minutes – ideally longer.
What if my child gets stuck on their work?	Your child's class teacher will be available online in the Google Classroom between the normal school hours 9.00 - 3.30pm. If you need help send them a message and they will help you.
What if we really can't do online work?	Contact the school office and we will print out the work for you to collect from the office on a daily basis. Unfortunately, we cannot do weekly work packs as the learning tasks which we provide for the

	children are adapted daily depending on how the previous day's learning went.
What if we do not have any reading books at home?	Contact the school office and we will arrange for several of the appropriate level to be left at the school office for your collection.

If you have any queries or concerns at any point, please do not hesitate to get in touch with me. You are the very first bubble to need to operate in this way and therefore your feedback is very important to us.

Kind Regards

Angela McDermid
